Lindemans wines promise more than the partnering of quality grapes and craftsmanship. Every wine also contains the spirit and passion of our founder - Dr Henry J Lindeman.

The Lindemans Reserve Range of Wines are full flavoured wines of outstanding quality and elegance. Our Lindemans winemakers have blended premium wine from Australian vineyards to craft wines that are the ultimate expression of Lindemans multi-regional winemaking philosophy.

These wines are varietally expressive and give consumers a profound drinking experience without overshadowing the food or the occasion.

The resources of Lindemans and the passion of its skilled winemaking team, headed by Greg Clayfield, ensure that these wines are of consistently outstanding quality and offer consumers excellent value for money.

Vintage Conditions

There was an ideal growing season leading up to the 2004 vintage, with average temperatures and rainfall in the winter and spring. Cool and dry conditions in January promoted slow ripening conditions which continued despite warmer weather in February and March. Despite being a late vintage, the fruit produced was of very high quality.

Grape Variety

Chardonnay

Maturation

This wine was matured for 12 months with a combination of French and American oak.

Aromas of lychee and citrus with subtle nutty aromas from the time with oak.
